COLUMBIA SUPREMO

Pure Columbia Supremo: a first-class coffee, grown on the slopes of the Andes, in one of the world’s most important coffee producing countries.

It is considered the best amongst all Colombian coffees: Supreme, in fact.

Tasting notes

A pleasantly sweet coffee, particularly suave and velvety. It is endowed with a remarkable structure, a well-balanced acidity and a full body. Scents of honey, fresh butter and nuts spread through its chocolaty aroma. Even delicate notes of flowering bergamot and orange can sometimes be perceived.
