## GUATEMALA ANTIGUA PASTORES

**Pure Guatemala Antigua Pastores:** from a dead charming land and the passion of Mayas’ coffee-growing descendants, here comes one of the typical Central American gourmet coffees: the Guatemalan coffee of the Antigua volcanic region.

### Tasting notes

Excellent body, very tasty and refined, with a pleasant slightly sour hint of fresh tropical fruit, which is well balanced by its typical taste of chocolate and spices. This “volcanic” coffee offers an enticing host of intense flowery perfumes that delicately condense into a fine aroma of orange blossoms.
