KENYA AA

Pure Kenya AA: grown in full-sun plantations, this wonderful Arabica coffee from the African plateaus is classified as Kenya double A, due to the rather big size of its beans. Kenyan coffee is sought after by connoisseurs from all over the world because of its unmistakable aromatic features.

Tasting notes

An extraordinarily full-bodied cru coffee: fruity and penetrating, with a strong citrusy acidity. Its aroma is intense, with reminiscences of wine, from which scents of flowers and fresh fruit and lemon burst out.
