TOP 12 GRAN CRU

100% Arabica Gran Cru
from the whole world of coffee

Candied orange, tobacco and Caribbean rum

12 of the best “Coffea Arabica Gran Cru” in the world, blended together with great class and wisely roasted, resulting from a long complex production process.

Floral fragrances recalling orange blossoms melt harmoniously into refined liquorish sensations. A unique aromatic essence, where toasted almonds melt with the alcohol scents of Caribbean rum and pleasant notes of exquisite tobacco leaves. The complex aftertaste of spices takes turns with flavours reminding of dark chocolate coated candied orange peel.

Bazzara Top 12: to relish the best in the world of coffee in one single cup.
